

WINSHAM WEB MUSEUM

SECOND EDITION

2009

The parish of Winsham is located on the southern tip of Somerset, where it borders on Devon and Dorset. It has its roots in Saxon Times. The purpose of this web museum is to provide a digital archive of its history, record its present and to make this information easily accessible for the education and pleasure of all those who visit it, now and in the future. Scroll down, selecting the topic you wish to view by placing your mouse pointer over the picture, and left click.

(This web site is designed to be viewed with a Broadband connection of 4mbps and a Monitor resolution of 1280 x 1024 pixels - slower Broadband speeds will result in illustrations loading more slowly.)
