

Look! A cob Pizza Oven!

First you make the dough...

Heating the oven is a problem!

Look! A completed, cooked Pizza

The School Open Morning was a great success, even if the team designated to cook the Pizzas bit off more than they could chew!

And now a little surprise-a visit to
 Thorncombe to see the Model Railway
 Exhibition.....

The trains, models and layouts were incredible.

There is no regular day of publication for the e-letter, as really URGENT news of wide interest will go out as soon as possible after it is received. To avoid disappointment, the Friday before the week in which your event is happening is the latest date to send me information. Sooner than that is better! The Winsham E-Letter usually goes out at a weekend.

Here are some permanent links which may not always appear in the news columns.
