---------------------------	---------------------------------------	--

There is no regular day of publication for the e-letter, as really URGENT news of wide interest will go out as soon as possible after it is received. To avoid disappointment, the Friday before the week in which your event is happening is the latest date to send me information. Sooner than that is better! The Winsham E-Letter usually goes out at a weekend.

Here are some permanent links which may not always appear in the news columns.
