There is no regular day of publication for the e-letter, as really URGENT news of wide interest will go out as soon as possible after it is received. To avoid disappointment, the Friday before the week in which your event is happening is the latest date to send me information. Sooner than that is better! The Winsham

E-Letter usually goes out at a weekend.

So far we have played a part in finding four lost cats and two lost dogs. If you ever loose or mislay any pet, Winsham e-letter is always ready to help put the word around-with a picture if you have one – just call 30026 or E-Mail. Why not keep a picture against this eventuality?
