

As promised, a major review of contents of the Winsham Web Museum is underway. Much of the work is on the structure and technicalities, and cannot be readily seen. However thanks to a large group of pictures of Street Fairs donated by Jim Loaring many gaps in the Museum's coverage have been filled. Click on the collage above to see for yourself.

So far we have played a part in successfully looking for seven lost cats and two lost dogs. Not all searches, sadly, have been fruitful. If you ever loose or mislay any pet, Winsham e-letter is always ready to help put the word around-with a picture if you have one – just call 30026 or E-Mail. **Why not keep a picture**
