

Winsham Web Museum has added a fascinating new area to its 'Winsham at Worship' Gallery. It contains a range of historical records, documenting the story of 'dissenters' and non-conformism in Winsham since the 17th Century until the 1920s. Records of membership of the church, baptisms, minutes and other items add a new dimension to the story of our village and parish. Click on the picture above to see these for yourself. Our thanks go to Liz James, daughter of Michael Hebditch, for the tremendous amount of work that went into translating these records into digital form. In the same Gallery there is also a new item relating to the Gospel Hall.

So far we have played a part in successfully looking for seven lost cats and two lost dogs. Not all searches, sadly, have been fruitful. If you ever loose or mislay any pet, Winsham e-letter is always ready to help put the word around-with a picture if you have one – just call 30026 or E-Mail. **Why not keep a picture against this eventuality?**
