

The 'My Gran & Winsham' film made by Bethany as part of an A –Level project, was a great success. Some forty plus people turned out to hear and see on DVD, an hour of Marje's reminiscences about her early life in Winsham, spanning the nineteen twenties to the wartime years. Well done Bethany!

So far we have played a part in successfully looking for seven lost cats and two lost dogs. Not all searches, sadly, have been fruitful. If you ever loose or mislay any pet, Winsham e-letter is always ready to help put the word around-with a picture if you have one – just call 30026 or E-Mail. **Why not keep a picture against this eventuality?**
