

Milder autumns in Winsham are sustaining flowers, many of which will go with the first frosts. Do you have any seasonal pictures that we could use in the e-letter? If so, please send me a copy. [Click HERE.](#)

So far we have played a part in successfully looking for seven lost cats and two lost dogs. Not all searches, sadly, have been fruitful. If you ever lose or mislay any pet, Winsham e-letter is always ready to help put the word around-with a

picture if you have one – just call 30026 or E-Mail. **Why not keep a picture against this eventuality?**
