

Hi All,

The big event of the year for Winsham is the biennial Street Fair, which has become a regular event since 1985-over thirty years ago! On Saturday, 25th June the village will be given over to the celebration, and it looks like being a real classic You can find all the details below in the e-letter by clicking the links. The evening looks very good too! There will be two bands, and a disco ,a hog roast and a new feature- the Cocktail Bar-which has an exotic menu, which along with the music on offer, is likely to induce a combination of 'Saturday Night Fever' and 'Street Fair Fever'. Spare a thought for those helpers who will be up early clearing up after the festivities!

I hope the Parish Web Site will also be able to display a good many pictures of the event, and welcomes your contributions. Later, some will find their way onto the Winsham Web Museum, that has a record of all the Street Fairs since 1985.

The next item of news this week , is the permanent appearance of the Emergency Defibrillator outside The Bell-the result of a lot of hard work-which we have covered in the e-letter previously.

On Monday, 13th June, the Bus Schedule changes-full details can be found by following the link below.

Last but by no means least, this coming Thursday is the Jubilee Cafe. All welcome-come along for a chat with your friends and a cup of something ,along with a slice of delicious cake.

Enjoy,

John
