

Hi All,

I expect that a lot of us have been busy in our gardens during our spell of warm weather. I have taken a chance with my bedding plants, and nervously watch for forecasts of frost!

The Annual Parish Meeting on Tuesday was very well organised, and although attendance was a little down on the previous couple of years, the weather and a clash with another meeting were probably contributing factors. A lot of interesting information emerged, and people who are interested in what makes the parish 'tick' so successfully gain a lot from these meetings, which take a lot of effort to bring together.

Don't forget the Jubilee Cafe on Thursday! Doesn't this monthly event come around so quickly. And of course, there is the St.Stephen's Coffee Morning, organised by Margaret Long, on the last Wednesday of the month.

What a social whirl we enjoy! Make sure you keep up with it by reading the e-letter and the Parish Magazine.

Couple of other items-the Winsham Street Fair is only six weeks away, so I hope everybody is working on their costumes, etc. I have also added Tatworth and Forton Parish Web Site to the other village links on the e-letter. Don't know why I hadn't done it before-after all, we share our Parish Clerk, Teresa Pinder.

Rosie Clampett received a unique and special award from the Jason Stevens, the new Chairman of Winsham Parish Council, at the Annual Parish Meeting on Tuesday, in recognition of her efforts in getting a defibrillator unit for the village. Special mention was also made of the help given to the project by Tony and Terri Laws-Spindler (The Bell) for all their support for the project.
