

Hi All,

First of all apologies for the problems associated last week with the e-letter. I still do not really know why they arose. In addition, some gremlins have appeared in the software I use to run the web sites. Correcting these may take some time and possibly involve the reloading of the software (and some ten thousand files!). Not a prospect I view with much enthusiasm. The links from the e-letter below all appear to be OK.

On a brighter note, there is a reasonable basis for hope that we will get high-speed Broadband by the end of the year. But I for one, am not holding my breath!

At last-the result that you have all been waiting for! Who is to be crowned winner of the title of Winsham Wild Life Whiz 2016. You will just have to click on the link to find out!

Other items in this week's edition include details of the Clapton Film Society programme and an interesting Winsham Walkers event. And don't forget to polish your giant marrows for the Winsham Hort. Soc Annual show next weekend.

The Mystery Tour of the Winsham Web Museum that has proved very popular over recent months is being extended to cover all the Winsham Web Sites. Nothing like having your horizon's broadened.

Enjoy!

John

This lovely picture was taken of Lime Kiln valley, and is featured on the Home Page of the Parish Web Site.
