

Hi All,

The one major item of news this week is the decision to abandon the Lych Gate project. Not enough money was raised, nor is it likely to be. A fuller account has been written by Jason Stevens and can be found on the link below.

Personally I am sad , as among other reasons it seemed a good opportunity for the post WWII generations to mark their brief passage by providing our community with a lasting, practical facility.

There are a lot of break-ins to outside sheds, etc at present. The latest was at Stuckey's Farm House, where garden maintenance equipment was stolen. This is a reminder that we all need to ensure that our garages and shed, barns, etc are as secure as possible. We must also keep our eyes open for strangers who seem to be acting suspiciously, and be prepared to report such sightings to the police. I had CCTV installed some time ago, monitoring all the vulnerable areas of the garden, principally as a deterrent- Jan's mother had experienced a serious theft from the garden - but also because I love gadgets! Although not expensive, it did cost more than any potential value that my few gardening tools may have! But, of course, it does also cover all access to the house as well. From my point of view, it is well worth having.

Finally, just a last minute reminder to anyone who has not yet purchased their Jubilee Hall Lottery Ticket from Winsham Shop, that 1st April is the closing date. The draw for the first three months will be held at the Jubilee Cafe on Thursday, 21st April.

Have a good Easter!

John

This picture was taken by Chris Beer. It shows Tenby daffodils grown at Geoff Peacock's nursery. They were grown from seed, from Wales, collected many years ago. They are true Welsh wild daffodil.
