

Hi All,

It is either 'feast or famine' A couple of weeks ago I did not send out an e-letter as there was nothing to tell you. This week it has been one thing after another- all while I had hoped to be watching the Test Match on TV.

Of real importance to mobile phone users (and related gadgets), it really looks like we have an opportunity to improve the patchy coverage in the village. Click on the picture below, or the link lower down in the e-letter. You will go to a new web page which will not only be used for important communications from the Parish Council-such as the mobile phone news, but you will also find that it is a portal to important areas of the Parish Council web site. All done to make life easier for everyone!

We also have something from Neighbourhood Watch - the first for some time.

Lots of other things too!

Enjoy!

John

Winsham Parish Council now has a new web page on the Parish Web Site to make it easier to access key parts of their own web site. Click on the picture to see the new 'portal' and read an important statement from Jason Stevens about negotiations which will improve mobile phone access in the village.
