

Hi All,

Along with the usual list of new events, there is news of an anniversary which may amuse you! Doesn't time fly!

Something that appeared in the national newspapers last week which may benefit Winsham. Ordnance Survey are to publish new digital maps of the UK, for the benefit of Sat Nav users who drive large lorries. They will give details of road widths, weight restrictions, bridge heights, etc. Let us hope that the Parish of Winsham is included in this new information! It will depend on the sat-nav manufacturers making use of it, and making it available to their customers. Let us hope it will limit the number of heavy vehicle that come through Winsham, and worse, try to get up Colham Lane, just to mention just one of our problem roads.

John

Ten years ago the first e-letter appeared-just one page-and it hasn't changed all that much since then, except to get a bit bigger. The first one went to 25 people, now, after 452 editions, it reaches over 200 people each week. Working in close cooperation with the

parish's web sites, Facebook , Twitter and the printed Parish Magazine it is part of a community communications set-up that ensures the rapid distribution of news to most of our 750 residents and friends, in the UK and abroad. If you would like to know more about how it all started , click on the picture above.
