

Hi All,

There is more information about the Winsham Shop/The Bell project on the Parish Web Site. A link to the page will be found below.

High Speed Broadband should be with us from the 24th January, although strangely enough, the Jubilee Hall was connected on the 17th of this month. A few people have been told that they will not be able to be connected for some technical reason, but the advice is to apply again to your Broadband provider after the 24th January, and you may well be told a different story. I would be interested to hear from people who experience this.

The Jubilee Hall Lottery, 2017, is being launched this weekend, and tickets will be available from Winsham Post Office. Full information can be found on the web page , which can be accessed from the e-letter below. Please support the Jubilee Hall as much as you can. It is a wonderful facility, from which many people in the parish benefit.

Keep warm and stay cheerful!

John
