

Hi All,

A bit early this week, but I wanted to give the Big Breakfast some publicity, but I only received their poster a couple of days ago. So I put it on the web site, and you can see it below. A message for all organisers of events. If you want a mention in the e-letter, or a poster on the web site, it is in your interest to let me have information at least a couple of weeks before the event.

I promised you an update of my hi speed broadband situation. After waiting-in all afternoon, the OpenReach man didn't turn up! No apologies. When I complained I was told that a major outage had caused the problem, and anyway I didn't need a visit. It was OpenReach who suggested the visit was necessary. Needless to say I shall not let the matter rest-watch this a space!

Regards,

John
