

WINSHAM E-LETTER

The 'Night at the races' organised by the Street Fair Committee for last Saturday evening was greatly enjoyed by everyone who supported the event. A great Ploughman's Supper and lots of fun, and £400 was raised for next year's Street Fair.

No:505

25th November, 2017

Hi All,

What a cold and frosty morning! But it is bright-just like the prospects of a lively Christmas in Winsham.

Four new events have been added to the Festive Calendar since our last e-letter- so the game this morning is for you to go and find them. No prizes for being successful, other than the opportunity for you to support and enjoy them!

The message on 'The George' project from the Shop Management Committee is that the confirmation of Pledges are coming in thick and fast, but with the deadline of the 30th November nearly upon us, if you have not yet completed your form and got it to the Shop, please do so this weekend. If you have changed your mind, for any reason, and decided not to go ahead with your earlier pledge, then also it would be very helpful if you could let the Shop know. No hard feelings, and it would save valuable time and effort. As I understand it, no one will, of course, be asked to part with any money until the transaction is completely ready to take place, which includes the 'Change of Use' planning consents from SSDC.

I have also been asked to draw everyone's attention to the 'Housing Needs Survey' being carried out by Winsham Parish Council, in collaboration with the Community Council for Somerset. Just click on the link below-it took me about five minutes to complete.

Finally, I am going to publicly thank BT Openreach for the quick and efficient service I received after complaining about my High Speed Broadband service. Over the last six months or so my speeds had been steadily dropping from about 40mbs to around 30mbs. An engineer turned up by appointment within three days, spent a couple of hours doing all sorts of things, and 'Hey Presto' I am now regularly getting about 45 mbs on download, which is fine for my needs. I cannot expect faster speeds because of my distance from the Winsham cabinets. Have a good week!

John

PS-Please do not moan at me for not including items which I have not been told about! 🐡
