*Put the event in your diary now!*

No:540

11th August, 2018

Hi All,

With the planning decisions on 'The George' now quite close, readers can expect the pace of news about the subject to quicken, and this week may be the start of what I called a few weeks ago, 'the end game'.

I have read most of the comments sent to the SSDC-for and against. For me, the issue is clear-approval means we continue to have a shop and post office. Rejection, and this is my personal belief, will mean that the shop and post office will cease to continue beyond next year.

The truth of the matter is that nobody knows for certain if the Shop Management Committee's ambitious plan for the future will work should 'The George' project receive planning approval. All those who value our shop and post office can do is travel in hope, and support it.

*Winsham Shop and Post Office plays a role in our community that is more important than just being somewhere to buy a postage stamp or a packet of cornflakes. It is part of Winsham's way of life for all age and social groups, as demonstrated by the financial support the new project has attracted.*

Below is a link to new information which has been sent to the Planning Officer.

It lists, among other things, the efforts and the outcomes of the Shop Management Committee attempts to find a suitable location.

Meanwhile life goes on, and Winsham Walkers can look forward to another walk on the 6th September, and we can all put the Winsham Horticultural Society's Annual Show on August 25th in our diaries. Also, for those of you who wish to exhibit, copies of the Show schedules are available now, from the shop. Incidentally the Society have done me the honour of asking me to present the prizes at the end of the show. Look forward to seeing you all there. Enjoy!

John
