

WINSHAM E-LETTER

A lovely contribution from Liz Earl. Earlier in this week she spotted the two Green Woodneckers above, a young one (speckled) and an adult teaching its offspring how to find its food. The captions were suggested by Liz.

Hi All,

All sorts of items of interest buzzing around the parish this week.

Jan and I heard in the week from my daughter Kate, that Rhys Rodway-Wendy Spurdle's grandson, has a brain tumour. The brave little fellow is only six years old and he already has had to undergo two operations, and now is about to have six weeks of intensive radiotherapy and chemotherapy. The family has started a crowd funding project to raise money give him a treat when the immediate treatment is over -a visit to Disneyland Paris to meet his fellow Superheroes. If you would like to know more and perhaps make a contribution, click on the link [HERE](#).

Below, in the e-letter is also a link to a fund raising event for this project at the Choughs Inn in Chard, on the 8th September.

This item is also covered well on the Winsham Community Facebook page.

Also towards the end of the month the Jubilee Hall will be closed for a few days to enable the maintenance of the main floor. Colin Langridge will be doing the job, so we can be sure that it will be done well-he did a lot of work himself when the floor was replaced in 2006.

The film buffs will be pleased to see that the Clapton and Wayford Film Society have published their new programme for 2018/9. Looks good value to me.

Enjoy,

John
