

WINSHAM E-LETTER

Hi All,

Let's start with the Parish Web Site. Some additions. The Christmas Diary is back for 2018. You may think it is a bit early, but it has nine events already, and this number is sure to grow over the next few weeks. This page has a jolly Christmas jingle designed to foster the Christmas spirit, so make sure the sound is turned up nice and loud on whatever widget you are using to view the web page. You can't say that you haven't been warned!

The next thing I hope you will find of interest is a new Arts Portal Page, which brings together on one index page all the art related activities in the parish (that we know about). It is accessed at present from the Web Site Notice board but links from the e-letter will generally continue to go to the specific web page- depending on circumstances. I hope to be discussing these matters the 'leaders' of the various groups concerned over the next week or so, to ensure that everyone gets the most from this development.

This weekend is the Winsham Art Club's Annual Exhibition. Well worth a visit. All the details will be found below.

'Bye,

John

PS Please do the Internet survey , to be found on the Parish Council Portal Page, via the link below. It won't take more than about five minutes.

Come along this evening, or during the weekend-lots of lovely pictures to buy or just admire.
