

WINSHAM E-LETTER

Hi All,

Quite a few new items for your diary are listed below.

Some sad news; Audrey Middleton passed away at age 98 on Tuesday, 4th September. She moved to the village some thirty/ forty years ago, with her husband Geoff, a retired tea planter, who died just a few years ago.

Audrey was a very talented watercolourist and for many years an active supporter of Winsham Art Club and exhibited regularly at Winsham Art Club's annual exhibition.

Details of the funeral arrangements will be published when they are known.

John

Probably the most boring E-letter picture of the year.

This what happens when people do not send me pictures! It is our fig tree in the course of producing a bumper crop. I don't expect them all to reach full size, but at present we are harvesting about six a week-and they are truly delicious when fully ripe.

Let's have pictures of you home grown fruit and vegetables.
