

WINSHAM E-LETTER

No.587

12th July, 2019

Hi All,

The e-letter is a little early this week, as I wanted to remind everyone of the two events being held at St. Stephen's tomorrow. In the afternoon the Winsham Family Circle is organising a Cream Tea, in aid of a 'loo' for the church. I can easily see why the absence of this important facility deters some of the older members of our community from attending services-it should have happened a long time ago.

In the evening is the Organ Concert in aid of the fabric of the church.

Other items which I think will interest you are in the E-Letter below, especially the latest bulletin from the Winsham Shop Management Committee, in respect of the appeal against the South Somerset Planning Committee decision relating to 'The George' project.

On the Parish Council Portal Page, there is news of more road works, and the need to co-opt a new parish councillor, following the departure of Diana Wallbridge from the parish. Let's keep the council up to strength-it has never been more important.

Detail of the Horticultural Annual Show can also be found, and I would remind anyone who has a container or Hanging basket of which they are particularly proud, that they should enter the annual competition. Application forms are available from the shop-entries must be in by the 25th July.

Finally-for music lovers, there is a note about the next meeting of the Music Appreciation Group.

I think that is everything,

'Bye for now!

John
