

WINSHAM E-LETTER

No.573

1st November, 2019

Hi All,

The **BIG NEWS** this week is that Winsham Shop and Post Office is closing!

But re-opening a couple of days later as a 'Pop-Up Shop' in the Parish Council Office located at the front of the Jubilee Hall, the door on the right as you go in through the main door.

The **GOOD NEWS** is that this will only be for a few weeks, and that they will be back in their usual place before Christmas. Unfortunately the Post Office is not allowed to join the shop in the Jubilee Hall, for reasons of security, but we will just have to live with that. Why is this happening? And when? For a full explanation just click on the link below. The shop is obliged to undertake some major work on its premises, and would normally expect to close completely while this was undertaken. However, I know that the Shop Management Committee feels an obligation to its regular customers, especially the village's older residents, to keep its basic services going. To achieve this, it initiated a cooperation between the Jubilee Hall and Winsham Parish Council to ensure that this could happen. It involves a lot of work and inconvenience to all concerned, but all consider this to be very worthwhile, in order to keep the community's 'heart' beating while the work is being done. After all the disappointments the Shop Management Committee has endured this year, one can only admire their energy and purpose in keeping the shop going in this way.

Next week the regular Winsham's 'Calendar of Christmas Events' will appear on the Parish Web Site, easily accessible via the parish web site's Home Page, the Winsham Community Facebook page and of course via the e-letter.

Since I first mentioned it last week, I have received a lot of information, but if you are organising something for Christmas, and you would like Winsham residents to know about it, please send me the details as soon as you can. It is a 'rolling feature' so there is no 'copy date'. Items can be added by me at any time, and the Calendar will run right up to Christmas and the New Year. **Election Day** will not be included in its contents...unless I hear from Downing Street or someone that Jeremy and Boris want to do a Christmas 'Punch and Judy' show on the Lower Rec

That's it Folks-

Bye, John

A new feature: Each week we will dip into a part of the Winsham Web Museum .
