No.565

7th September, 2019

Hi All,

There is a distinct touch of autumn in the air, and we begin to prepare for winter. Certainly the garden is, as one begins to think about how to over-winter some of the more delicate plants.

For Winsham, the village organisations start preparing their programmes. I hear that the new 2020 Calendar, organised by the Winsham Street Fair Committee, is progressing well, and will be available for purchase in good time for the new year, I hope it will be well supported. In the past I have used them to send Christmas and New Year Greetings to our far-flung cousins in various parts of the world. Proved to be very popular.

Below are details of some new events, road works and reminders of events that coming up. There is also a new schedule of services at St, Stephen's and other churches within the benefice. The Rev. Philip Butcher who leads the team is unwell, so the schedule for October has been adjusted. Lets us all wish Philip a speedy recovery.

John

Sounds good!
