

# WINSHAM E-LETTER

Hi, and a Happy New Year to you all,

The most important event of the first full week of the New Year, from our community perspective, is the Parish Council meeting to be held at 7.00pm on Wednesday, 9th January, in the Jubilee Hall.

There are a number of important items on the Agenda, but the one most likely to interest the majority of the people of Winsham is Item 4, relating to the revised Planning Applications for 'The George' project. The Shop Management Committee are urging all who support the applications to attend to demonstrate their support to the Parish Council. Following this, let us all hope for a speedy and favourable resolution by the SSDC Planning people.

Not a view, I know, held by everyone, but, in my opinion, non-approval will mean the demise of our 170 year old shop, which would be very sad-not only because of the loss of the shop and post office facility, but the important role it plays as a social and communications hub.

Anyway, everyone has had ample opportunity to have their say, and they will have a further chance next Wednesday.

Changing the subject, I hope you keep your eye on the Winsham Community Facebook page. Did you see that Alison Barton posted the news (and a picture) that Winsham won the Perry Street League's Coronation Cup, 2-1 in extra time, against Farway? Well done! If you want to follow the football, Winsham FC have a Facebook page -[CLICK here](#).

In closing, a thought for all of you who help organise village events. It is always a great shame when two popular events clash. Sometimes it cannot be avoided, but if you look at the future events section of the e-letter-at the end of the table below, and see if your event is planned when another is taking place, you may be able to reschedule it to avoid the overlap.

Then let me know and I can put in your future event, and it will help prevent somebody else doing something at the same time as you. Simple really!

Cheers,  
John

*Something to brighten your day! A lovely picture of a winter flowering clematis taken in Janet Smart's garden, by Anna Woodward.*
