*Never a dull moment!*

Hi all,

This week's e-letter contains links to information about Winsham Horticultural Society's planned activities over the rest of this year. The WHS really have been a star during this difficult period. The Open Gardens event, linked to the Street Fair Committee's Scarecrow Competition, was a great success, and the WHS Annual Show looks to be full of promise-let's show our appreciation of their efforts by supporting it. Lots of new information can be found from the link below.

I am pleased to say that Jubilee Hall hirings are also steadily increasing, as the promise of the end of lockdown seems increasingly likely to come about before the end of the month, and with it, we hope, an improving situation

for 'The Bell'. We are not out of the wood yet, or likely to be for some time, but by being sensible and being responsible for our own actions, hopefully we are approaching better times.

Keep cheerful, stay safe,

John
