*Jan & I visited one of our favourite spots during the week-Seaton Wetlands-and spotted this swan's nest. Well worth a visit at almost any time of the year. Easy and safe access and lovely for kids of all ages!*

Hi All,

Not a lot of new event information this week; there are some roadworks planned. There is a link below.

Linda Vijeh's reports on Covid are also very interesting. Last week's bulletin-right at the end, showed information about the incidence of blood clots arising from the use of the AstroZenica vaccine, and makes interesting comparisons with some other popular

medications, and regular events in our lives, including catching the virus itself. By comparison, the additional risk associated with taking the vaccine is vanishingly small, which apparently was why it had not been picked upon until recently.

In response to the encouraging news in the UK on the reduction in infection rates, the Jubilee Hall has decided to hold its Annual General Meeting on Tuesday, 22<sup>nd</sup> June, probably at 6.00pm, the day after we all hope that the last stage the Lockdown will have ended. This ending date has yet to be confirmed by the Government, so don't hold your breath! Nevertheless, we must plan on the basis that there should be no problems, and there is also some speculation from experts that social distancing and rules about wearing masks will also end on the 21<sup>st</sup> June, except, perhaps on public transport, if the present progress continues. Let's hope so.

Sandy Wells tells me that response to the hall's re-opening has been good, and from next month she will be posting the monthly Booking Diary on the Parish Web site and the Jubilee Hall Notice Boards.

Just a week to go for you to complete your entry for the Winsham Quiz, and any of the other categories in the Grand Winsham Challenge.

Keep safe, be positive, and enjoy yourself,

John
