

Hi All,

PROBLEMS WITH PARISH WEB SITE

I am having problems with the Parish Web Site. It is probably some eighteen months since it had a good 'service', and it is behaving in a most erratic manner. This work is likely to take a week or so-possibly more, possibly less. It is impossible to say at this stage. The site will not go off-line, but parts may not be working, especially the on-line Noticeboard. I ask for your forbearance.

As a result the e-letter will sometimes carry more information about events in its main body, as it will not be able to rely on the links that it usually uses. However, where links are indicated in the e-letter at present they work, but may not continue to work as the servicing progresses. Of course, I will avoid disruption when I can..

Interesting information

The Parish Council has come up with some information relating to a 'Speed Watch' project to happen in the village, but which will need some volunteer helpers. Click on the links below (they work!).

The Parish Council has also provided information about support of teenagers and young adults which many will find interesting.

Yours , in desparation,

John
