

Hi All,

Chilly isn't it!

A good number of interesting items of news can be found below.

High -speed Broadband is being taken up by a lot of people, and will become operational for most on the 24th January.

The new cell-net mast that is to be erected to improve mobile phone coverage is only going to be used by O2 and Virgin, is a disappointment, but it will help some people.

Don't forget the Jubilee Cafe this coming Thursday!

John

The Music and Movement group had their annual lunch and celebration on Thursday. After a very good meal, they were entertained by Tony Meech and Ivor Hyde, who were making their first appearance together in the Jubilee hall since the memorable Parish Council's 120th Anniversary in 2014.
