LOARINGS
of WINSHAM

Maurice Loaring
December 2002

**The
L O A R I N G S
o f W I N S H A M**

The Winsham Parish Registers date from October 1559

**The first mention of the name Loring was in September 1560
when Agnes, daughter of Thomas Loring was baptised.**

**On the assumption that Thomas was then
about 25, he would have been born c 1535**

**His descendants have been in the village ever since,
though the spelling of the name changed to Loaring in 1718**

"Nathaniel Loaring, a labourer from Windsor, Berks enlisted [in the 1st Foot Guards] in London on 27 Mar 1811 aged 11 years 5 [months], described as 5 ft, with light brown hair and a fair complexion. He died at Windsor on 10th May 1830. From his age it is quite likely that he was the son of a serving soldier, which may also account for his place of birth. There is another Nathaniel Loaring serving in the Regiment, who is quite possibly his father and it should be possible to prove or disprove this The elder Nathaniel came from Somerset" from "Finding Berkshire Men during the Napoleonic Wars (1793-1815)" - Barbara Chambers - Berkshire Family Historian, Dec 1998

The elder Nathaniel could have been his uncle, born 1772
